BMI CANADA INC. is expanding

Boisbriand, February 29th, 2012 – BMI CANADA INC. is pleased to announce the opening of a new distribution center located at 26918, 56th avenue, Langley, BC V4W 1N9.

Growing demand for quick deliveries in Western North America and overall improved logistics has lead BMI CANADA to open a new distribution center on the West Coast. With 20 000 square foot of storage space, this new distribution center will help better serve our Canadian and American customers.

Our Langley distribution center is operational since January 3rd, 2012. BMI is delighted with this expansion. “Our staff is thrilled with the idea of next day deliveries in British Columbia, Alberta and the Pacific North West”, says Marc Bouthillette, President of BMI CANADA INC.

About BMI CANADA INC.

BMI is a North American Master Distributor of plumbing products in business since 1972. With its importing expertise, the company distributes quality and certified products from North and South America, Europe, South Korea, Thailand, China, Indonesia and Malaysia. BMI provides its customers an outstanding service with average delivery times under 48 hours and consistent fill rates of more than 98%.

BMI CANADA INC., which is headquartered in Boisbriand, has distribution centers in Boisbriand, Toronto, Cleveland and now in Langley. Committed to quality, service and customer satisfaction, its mission is to be its customer’s first choice. For more information about BMI CANADA INC., visit its website at www.bmicanada.com.
