For Immediate Release

BMI CANADA INC. - Supplier of the Year 2012 by the group Canaplus

Boisbriand, October 3, 2012 - BMI CANADA INC. was elected Supplier of the Year 2012 by the group Canaplus at the annual meeting held on September 10th in Toronto.

From left to right: Eric Findlay, Canaplus; Bouthillette Rachel and Mike Lavoie, BMI Canada, Brian Findlay and François Deschênes, Canaplus.

Annually, members of the Canaplus group select the Suppliers of the year. To be eligible, the supplier must be an approved supplier for over a year and must sell to a minimum of 10 members of the Canaplus group. The selection criteria are based on customer service, product quality, reliability of delivery, quality of service and billing.

"In 2012, we opened a warehouse in Langley to provide a more efficient service to our customers in that territory. In addition, the BMI team, both at headquarters and in all our Canadian distribution centers is the secret of this great success." Said Marc Bouthillette, president of BMI CANADA INC.

About BMI CANADA INC.

BMI is a North American Master Distributor of plumbing products in business since 1972. With its importing expertise, the company distributes quality and certified products from North and South America, Europe, South Korea, Thailand, China, Indonesia and Malaysia. BMI provides its customers an outstanding service with average delivery times under 48 hours and consistent fill rates of more than 98%.

BMI CANADA INC., which is headquartered in Boisbriand, has distribution centers in Boisbriand, Toronto, Langley and Cleveland, Ohio. Committed to quality, service and customer satisfaction, its mission is to be its customer's first choice. For more information about BMI CANADA INC., visit its website at www.bmicanada.com.
