Dear Valued Customer

Subject: Price change notification

The continuing fluctuation between the Canadian and US dollar is having a significant impact on the cost of all products we sell. The difference has now reached levels beyond our previous expectations.

Therefore, please be notified that, in addition to the already announced 2015 price adjustments/increases, there will be a further price increase, on all products, effective April 1st, 2015. The magnitude of this increase, which may vary by product category, will be communicated to you no later than March 15th, 2015 and will reflect the situation at that time.

We trust that you will understand that this situation is beyond our control and we thank you for your understanding and support.

Best Regards,
