**Subject: Price Change Notification**

Dear Valued Customer,

Fluctuations in manufacturing costs, the ever increasing fluctuations of currency as well as some pricing anomalies result in BMI making several price adjustments on various categories.

Some prices increase and some decrease.

The following are links to our new price sheets which will be in effect March 15<sup>th</sup>, 2016.

[ACR - Refrigeration Copper Fittings](#)

[Wrot Copper Pressure Fittings](#)

[DWV Copper Fittings](#)

[Dielectric Unions](#)

[Lead Free Dielectric Unions](#)

[No-Hub Couplings](#)

[Poly-Alloy PEX Fittings](#)

[Lead Free Push Fit Fittings](#)

[Water Hammer Arresters](#)

[Plumbing Specialties](#)

[T-Tape](#)

Also attached you will find an excel file which illustrates the items where changes have been made. Yellow: Increase, Red: Decrease. Please note that price reductions will be effective immediately.

Major product categories such as Copper Fittings, Malleable, Steel Nipples, Brass fittings and Nipples, PEX Fittings, are still under review.

Thank you for your continued support.

Best Regards,

Mike Lavoie  
Vice President – Business Development
