Subject: Price Increase Notice

Dear Valued Customer,

The cost of materials, labor and more significantly transportation continue to increase.

Consequently, we have no choice other than announce a price increase on several product groups, **effective April 4th, 2022**. Details are as follows:

Brass (Bronze) Threaded Fittings - Lead Free, cat. 06:	+15%
Marvel Waste Connectors, & Plastic Clips, cat. 28:	+10%
Poly-Alloy PEX Fittings, cat. 30:	+20%
Lead Free Brass Cold Expansion - F1960 Adapters, cat. 42:	+20%
Poly-Alloy Cold Expansion - F1960 Fittings, cat. 42:	+20%
No increase on the Cold Expansion Rings at this time.	
No-Hub Couplings, Regular & Heavy Duty, cat. 18:	+10%

BMI will accept orders at current prices until April 1st, 2022 on the condition that quantities do not significantly exceed your normal purchase patterns. We also reserve the right not to accept back-orders at current prices.

We thank you sincerely for your understanding and support during these difficult times.

New price sheets will be available on our website as quickly as possible.

Best regards,

Garth Anderson
Director of Sales, North America
BMI USA Inc.
