Subject: Price Increase Notice

Dear Valued Customer,

With the continued rise in material costs, transportation, labor, etc., we must announce the following price increases, **effective Thursday, May 19, 2022.**

- Steel Pipe Nipples & Couplings, Black and Galvanized, categories 10-11-12-41 +6%
  - Malleable Fittings, Black and Galvanized, categories 20-35-36 +8%
  - Brass Fittings & Nipples, categories 06-04 +4%
  - Poly-Alloy PEX Fittings, category 30 +12%
  - Poly-Alloy Cold Expansion - F1960 Fittings, category 42 +12%
- No increase on the brass F1960 fittings

The new price lists will soon be posted to our website.

Due to ongoing supply issues, BMI reserves the right to limit above and beyond the 1/12<sup>th</sup> of your normal annual purchases and orders will only be accepted if current inventory levels allow it.

We thank you for your understanding and continued support.

Best regards,
