New price sheets are now available on our website.

In the meantime, BMI will accept orders, in reasonable quantity, for immediate shipment. We reserve the right to limit quantities should your purchases significantly exceed your normal purchases.

Also, in all cases, BMI will not accept back-orders in these product categories. These will be automatically cancelled and will need to be reordered at the new prices.

In regard to the new tariff of 25% on steel products imported from any country, we are still reviewing it and will update you in the near future for the required adjustments.

BMI remains committed to offering you quality products at the best possible prices.

We thank you for your understanding and continued support.

Best regards,
