Subject: Revised Price Increase Notice – Effective April 14, 2025

Dear Valued Customer,

On March 12, 2025, the United States started applying a 25% tariff on imports of steel and aluminum products from all countries. Although this tariff was effective immediately, BMI has taken the time to carefully review the situation as we mentioned in our previous increase notice.

Though we have worked hard to limit the impact on our customers, we must revise our previous increase in the following categories, effective **Monday, April 14, 2025**, for all customers.

The following revised increases are applicable to the entire product categories.

	Previously Announced	Steel Tariffs Increase	Total Increase
Steel Pipe Nipples, Black and Galvanized, categories 10-11-12	9%	5%	14%

Revised price sheets, where applicable, are available on our website.

In the meantime, BMI will accept orders, in reasonable quantity, for immediate shipment. We reserve the right to limit quantities should your purchases significantly exceed your normal purchases.

Also, in all cases, BMI will not accept back-orders in these product categories. These will be automatically cancelled and will need to be reordered at the new prices.

As we continue to closely monitor the developments surrounding the recent reciprocal tariff announcements on April 2nd and assess their potential impact on our supply chain, please be advised that future price adjustments will likely be required.

BMI remains committed to offering you quality products at the best possible prices.

Thank you for your understanding with this unusual situation which is beyond our control.

Best regards,

Garth Anderson
